The TJF website has been redesigned, making it easier to navigate

<http://www.tjf.or.jp/>

The menu on the left side of the top page is simpler and easier to follow.

For example, if you want to learn about *o-shogatsu* (New Year's) in Japan, follow the links below:

You can now also search by keyword.

For example, if you want to search for information and photographs relating to "keitai" (cell phone)
